NPC BATTLE OF THE BODIES
EXPEDITOR FINALS SHEET

About the Expeditor Finals Sheet:

This document has been generated by the **Muscleware Software System** specifically for Expeditor's of **IFBB Professional League**, **National Physique Committee (NPC)**, **NPC Worldwide**, and **Canadian Physique Alliance (CPA)** bodybuilding events. In the pages that follow, each class of the current event is presented in the order of the show schedule, including indication of which Athletes are in the top group (per the 'Awards & Routines' settings Statistician's set for the event).

For each class, all athletes are listed in numeric order by Athlete button/badge number. This is intended to be used to call out athletes for presentations at the finals portion of the show.

In the case of categories that have posing routines (Fitness, Bodybuilding, Women's Physique, Classic Physique), if this is the first time an athlete is on stage in the given category, their name will be **bold** and there will be a music note ♫ before it. This indicates that the athlete will be performing a posing routine. Subsequent classes within the same category will not show the music note or name in **bold** (routines only need to be performed once per category).

For categories that do not have custom posing routines (Men's Physique, Figure, Wellness, Bikini & Fit Model), if this is the first time an athlete is on stage in the given category, there will be an asterisk * before their name, and their name will appear in **bold**. This indicates that the athlete will be presented. Subsequent classes within the same category will not show the asterisk.

Athletes who are being awarded (per the 'Awards & Routines' settings Statistician's set for the event) will have a trophy 🏆 after their name.

We hope that you find this document helpful and welcome any feedback you may have. Please don't hesitate to contact **Muscleware** at support@muscleware.com if you have any comments.

Have a fantastic show!
